

Teachers use ICT enabled tools including online resources for effective teaching and learning process

The college encourages intensive use of ICT enabled tools including online resources for effective teaching and learning process. The majority of the teachers are using ICT tools and resources available in the campus. They used Projectors, AV system, TV display, NPTEL Video Collection, E-journals, E-Books, MOOCs, Learning Management system; You Tube, Swift pooling, Kahoot, Edu creations, Quiz and e-learning technology. A resources such as Projectors, Computers, Desktops, Laptop, Wifi, LAN connected system, I-Pad are also used by the faculty.

The Advancement in technology has developed fully furnished class room with ICT enable tools and resources for their learning. There are 43 ICT enabled classroom in the campus. The laboratories, Seminar Halls, Auditorium, and conference Room are well equipped with ICT facilities. The E-Learning environment helps the teachers in developing e-content in different subjects. Around 80% staff is using ICT techniques in the campus.

The institution follows ICT enable tools in addition to traditional classroom education. The use of ICT tools and resources provided by the institute has promoted fast E-learning atmosphere in the classroom. The adoption of computer classroom/ laboratories with internet connections has promoted the students and Teachers in independent learning. The colleges involved in delivering lecture on academic subjects, special lectures and technical talk are also arranged by inviting experts from industry.

E-learning environment was developed to meet the learning demands of the students and teachers. The faculties develop e-learning content along with educational related work. The e-Learning environment made it feasible for periodically conducting seminar and workshops for teachers and research scholars for their educational and technical enhancement. Using ICT tools, departments have developed online contents for various courses in different discipline.

Library offers a wide range of e-resources to teachers through consortium which are extended services. The college facilitate the faculty and students by providing access to various E-Resources database(E-Journals and E- books) which has enhances the teaching and learning skills with the use of the available resources such as **INFLIBNET**, **DELNET**, **PROQUEST**, **NDL**, **NPTEL**; and <http://epgp.inflibnet.ac.in/> ,<https://vidyamitra.inflibnet.ac.in/> ,<https://swayam.gov.in/>. The E-resources has promoted the faculty for their research work and
