## PROGRAM REPORT

Program name : One day international seminar in mathematics and physical sciences on "Internal friction in protein structure"

Date of activity : 20/01/2018

Venue : College Seminar Hall

Organized by : Dept. Of Chemistry

Number of participants : 99

## Objective of the program

To provide a coherent and quantitative picture of internal friction in unfolded proteins that could be attained from the individual techniques

## Outcome of the programme

At the end of the program the students have understood the concept of structural rearrangement of proteins, concept of molecular dynamics, simulation of trypsin and existence of internal friction.

## **REPORT OF ONE DAY INTERNATIONAL SEMINAR IN MATHEMATICS AND PHYSICAL SCIENCES**

One day International Seminar in Mathematics and Physical Sciences held on 20th December 2017 at Anwarul Uloom College, under the convenor-ship of Dr. Syeda Sameena Aziz, Vice Principal and head, department of chemistry, Anwarul uloom college.

The seminar was started with recitation of Holy Quran verses.

The session was started by inviting the guest speaker Dr. Kaleem Ahmed Jaleeli on the Dias by assistant professor in chemistry, zeenath unnisa begum.

The Dias was graced by Mr. Ahmed Baig ( Governing body member) , Mr. Mohd Mazheruddin farooqui (Honourable Principal), Dr. Syeda Sameena Aziz (Convenor of Seminar), Dr. S.Salahuddin (co-convenor) and Mr. Mohammed Habeeb Ullah (co-convenor).

All dignitaries were felicitated by presentation of bouquets. Mr. Ahmed Baig (governing body member) expressed his gratitude towards the speakers and expressed his gratitude towards the words of appreciation towards convenor, co-convenor, faculty members of department of Physics, Chemistry and Mathematics and enriched the audience with insight knowledge of our country in the field of research. Mr. Mazher uddin farooqui (Principal) specified about the success of the institution.

Dr. Syeda Sameena Aziz (convenor) has overviewed about the theme and goal of the seminar.

She expressed her gratitude towards the management for providing the support to conduct the seminar. She also emphasized in promoting the inter-disciplinary research interest among the faculty and the students.

After this, the session was started b the keynote address of Dr. Kaleem Ahmed Jaleeli. He delivered his talk on “Action of Non-Uniform Electric Field on Neutral Matter” and excellently explained the concept of Di Electrophoresis and its applications.

After the keynote address, Prof. Syed Najmul Hasan, Dean, School of Sciences, (MANUU), Hyderabad delivered his lecture on "Dynamics of Stellar System". He mesmerized the audience by excellently describing the study of motion of N-bodies moving under mutual gravitational attraction and illuminating knowledge about merging of galaxy. After this the momento was presented. The successful completion of the morning session was followed by lunch.

The afternoon session started with the lecture of Prof. David Laroze, Professor, at the institute for advanced studies, university of Tarapaca, Chile. He delivered his lecture on "Localized Pattern in Parametrically Driven Magnetic Systems". He was presented with a momento by our co-convenor, Dr. S.Salahuddin. After the lecture of Prof. David Laroze our next speaker Prof. M.V. Ramana Murthy explained in detail about the role of mathematics in various fields like computers, algebra, geometry, indexing, algorithm and data structure storage and retrieval. He was felicitated by the co-convenor of the seminar. The valedictory session was arranged after the lecture of Prof. M.V. Ramana Murthy.

In the Valedictory session the certificates were distributed to the participants and the feed back of the participants were collected.

Then the summary of the international seminar was presented by Asst. Prof. In chemistry Mrs. Sadiya Mushtaq.

Mr. Ahmed Baig (governing body member of AUEA) has made the concluding remarks. Vote of thanks was presented by Asst. Prof. In chemistry Ms. Anjum Fatima.

### Objective of the Program:

- 1) To learn the concept and advantages of sampling.
- 2) To understand different methods of Sampling.
- 3) To categorize and define different methods.
- 4) To explain the role of Sampling in research process.

### Topics Covered:

- Data collection
- Sampling sources
- Sample handling
- Precautions to be followed while handling a sample
- Sterilization techniques
- Various instruments usage for sampling

IELTS Workshop was conducted by experienced IELTS expert who spoke and provided advice, hints and tips to help the students prepare for IELTS test.

She explained in detail about IELTS as: IELTS (International English Language Testing System) is popular worldwide with speakers of English as a second language as proof of their proficiency. IELTS is jointly owned and managed by the British Council, Cambridge English Language Assessment and IDP Education Australia. It is designed to assess the language ability of candidates who need to study or work where English is used as the language of communication. He explained about the two choices between the Academic or General Training versions of the test. The Academic IELTS is required for university or college admission, while the General Training IELTS is intended for career and immigration purposes he said. The difference between the Academic and General Training versions is the content, context and purpose of the tasks. All other features, such as timing allocation, length of written responses and reporting of scores, are the same. All candidates do the same Listening and speaking sections.

**Students understood the following Reasons or Benefits of taking the IELTS Exams:-**

- 1) Develop English language skills:**
- 2) Accurate knowledge of your English skills:
- 3) Vast career opportunities:
- 4) Needed for all steps and stages of your life:
- 5) Fulfill future goals in life:

Overall, the seminar was very beneficial for the students.

## Outcomes of the Program

This seminar helped in understanding the political and social conditions of the twelfth century apart from Urdu poetry. The poets and research articles mentioned the era of twelve kings which belonged to the life of Hazrat Amir Khusrau. Ms. Amina Ansari (Vice-Principal Anwar Uloom College, Gals Section) expressed her views on the spoken language.

All participants benefited from this seminar. And requested to organize similar programs in the future. So that students and other people can also get familiar with the life conditions of the ancient poets of Urdu and Hindi and their poetry.

## **REPORT ON WORK SHOP CONDUCTED**

**TITLE:** Two Day Work Shop on “ Aptitude qnd Research ”.

**PREAMBLE:** A Two Day Work Shop on “ Aptitude qnd Research ”.

has been conducted on 26th and 27<sup>th</sup> July 2017, in order to impart knowledge to Faculties & students of Mathematics regarding importance of Aptitude qnd Research .

This Work Shop was organised by the Department of Mathematics Anwarul Uloom College.

### **PARTICIPANT’S PROFILE:**

Dr Sultana Begum, Associate Professor , Department of Commerce of Anwarul Uloom College , Hyderabad was the speaker on the topic.

### **DESCRIPTION ABOUT THE PROGRAMME:**

In the beginning of the Programme, there was a welcome speech by the Prof and Head Department of Mathematics Dr. Syed salahuddin , Prof. Ahmed Baig Sir, Director Anwarul Uloom Group of Institutions presided over the function. Dr Sultana , Associate Professor , A U C , Hyderabad has participated and spoke on the topic.

In HER Lecture She emphasized on the APPTITUDE AND RESEARCH for Graduate Aspirants in Competitive Exams to get Jobs. The entire session was an interactive session and the speaker answered many queries raised by the students.

The entire programme was co ordinated with the support of the Principal, Director and faculty of the Department of mathematics , Anwarul Uloom College, Hyderabad.

### **FEEDBACK:**

All the faculty members of other Departments expressed their gratitude to the staff of the Department of Mathematics , Anwarul Uloom College and the Speaker for imparting knowledge and creating awareness on Competitive Exams for good carrier .

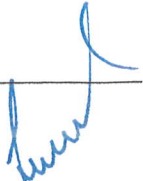

### **FUTURE PERSPECTIVES:**

The Department of mathematics looking forward to organize future conferences and seminars which will be more informative to the students.

## PROGRAM REPORT

**Program Name:** One day workshop on "Primer Designing".

**Date of activity:** 9<sup>th</sup> January 2018

**Venue:** Department of Biotechnology

**Organizing Department:** Department of Biotechnology

**Number of Participants:** 85

### Objective of the Program:

- 1) To understand how different parameters can affect the primer specificity and sensitivity.
- 2) To learn how to avoid unspecific bands in the gel.
- 3) To understand the device of PCR in detail.

### Topics Covered:

- Primer
- Specificity of DNA base pairing
- PCR
- Renaturation and Denaturation of DNA
- Measures followed to design a primer
- Maintenance of sterile surrounding

Program name : One day seminar on molecular modelling  
Date of activity : 17/03/2018  
Venue : College Seminar Hall  
Organized by : Dept. Of Chemistry  
Number of participants : 99

### Objective of the program

To provide a detailed knowledge on the development and application of methods and computer programs in computational chemistry.

### Outcome of the programme

At the end of the program the students have learned about computer based techniques involved in molecular modelling and for deriving, representing and manipulating the structures and reactions of the molecule

### PROGRAM REPORT

PROGRAM NAME: "A TWO DAYS WORKSOP ON NUTRIENT REQUIRMENT FROM INFANTS TO FAINTS -2017".

DATE OF ACTIVITY: 06.12.2017

VENU: SEMINAR HALL AUC.

ORGANIZED BY :- DEPARTMENT OF NUTRITION AND DIETETICS.

NUMBER OF PARTICIPANTS:- 200

#### OBJECTIVES OF THE PROGRAM:

A balanced diet is essential for mother and child during pregnancy and lactation, as well as for fast growing children during infancy and adolescence. Increased nutrient density of diets is the key during these vulnerable life periods to support growth, immunity and cognitive development. We aim to assess dietary intake and adequacy, and to evaluate the efficacy of nutritional interventions among women, children and adolescents across the globe.

#### TOPICS COVERED:

INFANCY AND NUTRITION  
NUTRITIONAL REQUIREMENT DURING PREGNECY  
NUTRITIONAL REQUIREMENT DURING LACTATION  
NUTRITIONAL REQUIREMENT DURING CHILDHOOD  
NUTRITIONAL REQUIREMENT DURING ADOLESCENCE  
NUTRITIONAL REQUIREMENT DURING ADULTHOOD  
NUTRITIONAL REQUIREMENT DURING OLD AGE
