## PROGRAM REPORT

The Head department of Economics Dr Neena Singh job have taken the initiative of organizing the seminar. Different Department of Anwarul uloom college have also extended their immense support.

According to the schedule , the programme started at 12:00 p.m. Mohammed Abu Bakar siddiq, Assistant Professor, Arabic Department, opened the session with a recital of the qhirath. Prof. Ahmed Baig, Director of the Anwarullom Group of Institutions, lit the customary lamp by his speech to start the programme.

The resource person, Dr. Etikala Prushotam who is working as an assistant professor in Nizam college Gunfoundry began his talk to the audience in a very attention-grabbing manner.

In his speech, he has discussed elasticity is important to pricing decisions because it helps us understand whether raising prices or lowering prices will enable us to achieve our pricing objectives.

The programme came to an end by 2.30 pm with a vote of thanks delivered by Bushra siddiqua, assistant professor department of economics.

## OUTCOMES OF THE SEMINAR

- It helped the audience understand that if we make a small change in price, it will have a dramatic impact on the demand for the product or only a small impact or not?
- Price elasticity is the measure of the market's response to price changes.
- It also helped the audience understand whether a discount drive increased sales? Will a price increase cause us to lose many buyers or just a few?
- Everyone were able to answer these questions in order to select the most effective pricing strategy.

I am glad to give a summary of the workshop on static and dynamic models with special reference to economics held by the department of economics on November 9, 2018.

The head department of Economics Dr Neena Singh have taken the initiative of organizing the workshop.

Prof. A. K. Vasu Devachary, Head of the Economics Department of Osmania University, was invited to serve as the workshop's resource person.

BA Economics students enthusiastically engaged in the session by developing several economic models.

Prof. A. K. Vasu Devachary, a resource person, praised the professors' efforts in supporting students in creating and explaining economic models in a clear and concise manner.

## OUTCOMES:

Teachers from other departments asked the students a series of questions to explain the model, and the students were capable of answering them all with ease, which demonstrated a high level of awareness and knowledge of the students. It also revealed the confidence in their ability to present their work.

**PREAMBLE:** A One Day WORK SHOP on “Non Linear Dynamics and its Applications”.

has been conducted on 15<sup>th</sup> March 2019, in order to impart knowledge to Faculties & students of Mathematics regarding modern Applications in Non Linear Dynamics .

This Seminar was organised by the Department of Mathematics Anwarul Uloom College IN THE RJP Hall.

**PARTICIPANT'S PROFILE:**

Dr Abdur Raouf , Associate Professor , M J C E , Hyderabad was the speaker on the topic.

**DESCRIPTION ABOUT THE PROGRAMME:**

In the beginning of the Programme, there was a welcome speech by the Prof and Head Department of Mathematics Dr. Syed salahuddin , Prof. Ahmed Baig Sir, Director Anwarul Uloom Group of Institutions presided over the function. Dr Abdur RAOUF , Associate Professor ,M J College of engineering , Hyderabad has participated and spoke on the topic.

In His Lecture He emphasized on the Latest Applications in Non L inear Dynamics. annd solved many case studies . The entire session was an interactive session and the speaker answered many queries raised by the students.

The entire programme was co ordinated with the support of the Principal, Director and faculty of the Department of mathematics , Anwarul Uloom College, Hyderabad.

**FEEDBACK:**

All the faculty members of other Departments expressed their gratitude to the staff of the Department of Mathematics , Anwarul Uloom College and the Speaker for imparting knowledge and creating awareness on Applications of Non Linear Dynamics .

**FUTURE PERSPECTIVES:**

The Department of mathematics looking forward to organize future conferences and seminars which will be more informative to the students.

### Objective of the program

To study the impact of soil management practices on microbial functions and soil health. To improve biofertilizer technology to ensure high quality and improved delivery.

### Outcome of the program

At the end of the programme the students and teachers found it to be beneficial.

- The use of biofertilizers is being emphasized along with chemical fertilizers and organic manures.
- Ability to distinguish the types of biofertilizers.
- Make more nutrients available to the crops.

DATE OF ACTIVITY: 23.03.2019

VENUE: RJP HALL, AUC.

ORGANIZED BY :- DEPARTMENT OF NUTRITION AND DIETETICS.

NUMBER OF PARTICIPANTS:- 250

### OBJECTIVES OF THE PROGRAM:

In Sujok therapy, palm and foot represent all the organs/meridians in the body. Su means hand while jok means palm. Sujok can be done with other therapies also and it produces no side effects. Developed by Professor Park Jae Woo, this therapy is 100% safe, simple and easy to perform even by the patients. Since hands and feet are the locations of systems of active points corresponding to all organs and part of the body, stimulation of these points produces a curative effect. This method is universal. With the help of sujok, various kinds of illnesses can be treated. There is no need for any precautions to be taken during the treatment. Since the therapy is natural and curing only the natural forces in and around the body, it is also one of the safest therapies ever known.

### TOPICS COVERED:

- SUJOK THERAPY FOR MENTAL DISORDER
- SUJOK THERAPY FOR DIABETES
- SUJOK THERAPY FOR WEIGHT LOSS
