## WORLD BLOOD DONATION DAY

Every year countries around the world celebrate World Blood Donor Day (WBDD). The event serves to raise awareness of the need for safe blood and blood products and to thank voluntary, unpaid blood donors for their life-saving gifts of blood.

A blood service that gives patients access to safe blood and blood products in sufficient quantity is a key component of an effective health system. The global theme of World Blood Donor Day changes each year in recognition of the selfless individuals who donate their blood for people unknown to them.

A blood donation camp was conducted in our college premises and the NSS Volunteers, students and faculty members and neighbours participated in this programme.

## INDEPENDENCE DAY

**Independence Day** is celebrated annually on 15 August as a public holiday in India commemorating the nation's independence from the United Kingdom on 15 August 1947, the day when the provisions of the Indian Independence Act, which transferred legislative sovereignty to the Indian Constituent Assembly, came into effect. India retained King George VI as head of state until its transition to a republic, when the Constitution of India came into effect on 26 January 1950 (celebrated as Indian Republic Day) and replaced the dominion prefix, Dominion of India, with the enactment of the sovereign law Constitution of India. India attained independence following the independence movement noted for largely non-violent resistance and civil disobedience.

In our college Independence Day celebrations are held by the NSS Volunteers and NCC Cadets.

NATIONAL SERVICE SCHEME DAY

National Service Scheme, also known as NSS, is an extension of activities for students pursuing higher education to increase their participation in community service, in addition to their curriculum. Each volunteer must complete 120 hours of social service in one academic year. September 24 is observed as NSS Day since 1969 and is marked across the nation with great enthusiasm. It is the day when this public service scheme was officially launched in India.

To understand the community in which they work, their relations to that community, and to develop a strong sense of responsibility towards the betterment of society, NSS is a programme that aims the development of each volunteer's personality through community service.

In our Anwarul Uloom College NSS Volunteers celebrated the NSS Day on 24 Sep.2021 with great enthusiasm.

## REPUBLIC DAY CELEBRATIONS

Republic Day is one of three Indian national holidays and it commemorates the enactment of the constitution of India, which occurred on January 26, 1950. India had achieved independence from Britain on August 15, 1947 (which is celebrated as a separate national holiday), but for its first three years the country remained governed largely by the colonial Government of India Act of 1935.

Shortly after independence was declared, a constituent assembly elected by provincial assemblies went about drafting a constitution that would govern the newly independent nation. After more than two years, the constitution of India was completed and solidified the establishment of India's independent democratic government. January 26 was chosen as the official enactment date as a nod to the Purna Swaraj (complete self-rule) declaration of independence by the Indian National Congress in 1930 — considered the first concrete step toward independence from Britain.

With the 1950 constitution, the country was officially known as the Republic of India — a “sovereign socialist secular democratic republic” that “secures all its citizens justice, liberty, equality, and fraternity,” according to its preamble.

In our college NSS Volunteers and NCC Cadets celebrated the Republic Day.
