INTERNATIONAL DISASTER MANAGEMENT - REPORT

Program Name : International Disaster Management

Date of the Activity : 13.10.2018.

Venue : Anwarul Uloom College

Organized By : NCC

Number of Participants : 300

I would like to kindly bring to your notice that Anwarul Uloom college cadets has successfully completed the awareness program with the participation of 300 cadets under the supervision of capt Syed Siddiq Hasan.

OBJECTIVE OF THE PROGRAM

Safeguard and make available vital materials, supplies and equipment to ensure the safety and recovery of records from predictable disasters. Reduce the risk of disasters caused by human error, deliberate destruction, and building or equipment failures. Be better prepared to recover from a major natural catastrophe

BETI BACHO BETI PADAO YOJANA

On this Yojana the NSS of our college conducted a programme to aware In 2015, the Indian government introduced the Beti Bachao, Beti Padhao (BBBP) scheme to address concerns of gender discrimination and women empowerment in the country. The name Beti Bachao, Beti Padhao translates to 'Save the girl child, educate the girl child'. The scheme aims to educate citizens against gender bias and improve efficacy of welfare services for girls.

The Beti Bachao Beti Padhao Yojana aims to achieve the following goals:

- Improve the child sex ratio
- Ensure gender equality and women empowerment
- Prevent gender-biased, sex selective elimination
- Ensure survival and protection of the girl child
- Encourage education and participation of the girl child.

Faculty members and students are participated in this programme in large number.

CANCER DAY

World Cancer Day is an international day marked on 4 February to raise awareness of cancer and to encourage its prevention, detection, and treatment. World Cancer Day is led by the Union for International Cancer Control (UICC) to support the goals of the World Cancer Declaration, written in 2008. The primary goal of World Cancer Day is to significantly reduce illness and death caused by cancer^[1] and is an opportunity to rally the international community to end the injustice of preventable suffering from cancer. The day is observed by the United Nations.

In our college Faculty members, NSS Volunteers and Students conducted the various programmes to create the awareness about the Various types of cancer.

All the NSS Volunteers are hereby informed that Our College NSS Unit is celebrating World Earth Day on 22 April 2019. All the NSS Volunteers are instructed to participate in this program me.

NSS P.O

Principal & Chairman NSS

Principal
Anwarul-Uloom College

World Earth Day

Earth Day is an annual event on April 22 to demonstrate support for environmental protection. First held on April 22, 1970, it now includes a wide range of events coordinated globally by EarthDay.org (formerly Earth Day Network) including 1 billion people in more than 193 countries. The official theme for 2022 is Invest In Our Planet

In 1969 at a UNESCO Conference in San Francisco, peace activist John McConnell proposed a day to honor the Earth and the concept of peace, to first be observed on March 21, 1970, the first day of

spring in the northern hemisphere. This day of nature's equipoise was later sanctioned in a proclamation written by McConnell and signed by Secretary General U Thant at the United Nations. A month later, United States Senator Gaylord Nelson proposed the idea to hold a nationwide environmental teach-in on April 22, 1970. He hired a young activist, Denis Hayes, to be the National Coordinator. Nelson and Hayes renamed the event "Earth Day". Denis and his staff grew the event beyond the original idea for a teach-in to include the entire United States. More than 20 million people poured out on the streets, and the first Earth Day remains the largest single-day protest in human history. Key non-environmentally focused partners played major roles. Under the leadership of labor leader Walter Reuther, for example, the United Auto Workers (UAW) was the most instrumental outside financial and operational supporter of the first Earth Day.^{[4][5][6]} According to Hayes, "Without the UAW, the first Earth Day would have likely flopped!" Nelson was later awarded the Presidential Medal of Freedom award in recognition of his work.

In Anwarul Uloom College every year the world earth day is celebrated on april,22 , maximum number of faculty members, NSS Volunteers and students attended the programme.

ANTI TOBACCO DAY

This yearly celebration informs the public on the dangers of using tobacco, the business practices of tobacco companies, what WHO is doing to fight the tobacco epidemic, and what people around the world can do to claim their right to health and healthy living and to protect future generations.

The Member States of the World Health Organization created World No Tobacco Day in 1987 to draw global attention to the tobacco epidemic and the preventable death and disease it causes. In 1987, the World Health Assembly passed Resolution WHA40.38, calling for 7 April 1988 to be a "a world no-smoking day." In 1988, Resolution WHA42.19 was passed, calling for the celebration of World No Tobacco Day, every year on 31 May.

In our college Anti-Tobacco Day was celebrated every year. Maximum number of faculty members, NSS Volunteers and NCC Cadets participated in this

World Environment Day

World Environment Day is celebrated annually on 5 June and is the United Nations' principal vehicle for encouraging awareness and action for the protection of the environment. First held in 1973, it has been a platform for raising awareness on environmental issues as marine pollution, overpopulation, global warming, sustainable development and wildlife crime.^[1] World Environment Day is a global platform for public outreach, with participation from over 143 countries annually. Each year, the program has provided a theme and forum for businesses, non government organizations, communities, governments and celebrities to advocate environmental causes.

The NSS Volunteers, students and faculty members of our college conducted a awareness programme on this day every year.

WORLD BLOOD DONOR DAY

Every year countries around the world celebrate World Blood Donor Day (WBDD). The event serves to raise awareness of the need for safe blood and blood products and to thank voluntary, unpaid blood donors for their life-saving gifts of blood.

A blood service that gives patients access to safe blood and blood products in sufficient quantity is a key component of an effective health system. The global theme of World Blood Donor Day changes each year in recognition of the selfless individuals who donate their blood for people unknown to them.

A blood donation camp was conducted in our college premises and the NSS Volunteers, students and faculty members and neighbours participated in this programme.

World Population Day is an annual event, observed on July 11 every year, which seeks to raise awareness of global population issues. The event was established by the Governing Council of the United Nations Development Programme in 1989. It was inspired by the public interest in Five Billion Day on July 11, 1987, the approximate date on which the world's population reached five billion people. World Population Day aims to increase people's awareness on various population issues such as the importance of family planning, gender equality, poverty, maternal health and human rights.

The day was suggested by Dr. K.C. Zachariah in which population reached five billion when he worked as Sr Demographer at World Bank.^[4] While press interest and general awareness in the global population surges at the increments of whole billions of people, the world population increases by 100 million approximately every 14 months. The world population was estimated at 7,400,000,000 on February 6, 2016 and reached 7,500,000,000 on April 24, 2017. The world population hit 7,700,000,000 in 2019.

In our college World Population Day was celebrated every year. Maximum number of faculty members, NSS Volunteers and NCC Cadets participated in this

Telangana Ku Haritha Hāram

National Forest Policy of India envisages a minimum of 33% of the total geographical area under forest / tree cover to maintain environmental stability and ecological balance; that are vital for sustenance of all life-forms, human, animal and plants. outside the notified forest areas. The first objective is sought to Telangana Ku Haritha Haaram, a flagship programme of the Telangana Government envisages to increase the present 24% tree cover in the State to 33% of the total geographical area of the State. The thrust areas to achieve the above are two-fold; one, initiatives in notified forest areas, and the other, initiatives in areas be achieved by a multi-pronged approach of rejuvenating degraded forests, ensuring more effective protection of forests against smuggling, encroachment, fire, grazing and intensive soil and moisture conservation measures following the watershed approach. Major fillip is sought to be given to Social Forestry for achieving the second objective. In the areas outside the notified forest, massive planting activities will be taken up in areas such as; road-side avenues, river and canal bank, barren hill, tank bunds and foreshore areas, institutional premises, religious places, housing colonies, community lands, municipalities, industrial parks, etc.

Harita Haram Programme was conducted. NSS Volunteers , Students , Teachers and Non-teaching staff participated in this State wide programme. NSS Volunteers planted the saplings in the college premises.
