PROGRAM REPORT

Program Name : ARTIFICIAL INTELLIGENCE AND MACHINE LEARNING
Date : 07.08.2019
Venue : Computer Lab
Organized By : Dept. of computer science & Engineering

Number of Participants: 63

Objectives of the program:

After the completing this workshop the participants will be able to:

- Familiarity with the concept of AI and Machine Learning
- Know about various applications in the field of business, medicine etc
- Use of AI and ML

At the end of the session all the participants were provided the "Certificate of Participation".

SESSION : 9:00 am to 1:00 pm & 2:00 pm to 5:00pm

RESOURCE PERSON : Dr. Mohammed Sana Ullah Qaseem

Brief profile of Resource Person

He is currently working as Professor in the Department of Computer Science and Information Technology, Nawab Shah Alam Khan College of Engineering

About Department of the Computer Science & Engineering

You made a great choice when choosing to study computer science in Anwarul Uloom College. The department of computer science & engineering pleased have well qualified, experienced and committed faculty members with the mixture of both academia and industry to provide quality industry tuned education to the students. The students are molded with multi-dimensional skill sets covering all the required graduate attributes. More focus is emphasized on the practical and peer learning, projects, and research.

Scope

To emerge as a model center for education and future career in the area of Computer Science and Engineering through Knowledge acquisition, dissemination and generation to meet societal demands.

Learn foundational machine learning algorithms, starting with data cleaning and supervised models. Then, move on to exploring deep and unsupervised learning. At each step, get practical experience by applying your skills to code exercises and projects. The participant understand the basic concepts of AI and ML, this training program brought a positive transformation in the faculty member's attitude in their project and research works and projects.
