Outcomes of the Program

This mushaira instilled a taste for poetry in students. There were many students who expressed their desire to present their poetry or that of other poets on stage. Anwar Uloom Education Institutions Director Professor Ahmed Baig praised the students who participated in the Mushaira and also advised them to develop interest in poetry.

Feedback on the mushaira of female students:

The success of this mushaira can be attributed to the fact that apart from all the guests of honor and special guests sitting on the stage, the students also appealed to hold a mushaira of female students every 6 months. Many other female students were present here who have expressed their desire to present the poetry of different poets on organizing the mushaira again.

Program report

Event: Farewell Party

Date: March 17, 2020

Venue: RJP Hall

Organized by: Department of Botany Students

Number of Participants: 50

The botany department's students arranged a farewell celebration, and 50 students gathered in the RJP hall. The HOD's address inaugurated the function, and the institution's director spoke momentarily about their desired endeavours. All the staff and the director were invited to a luncheon, and students gave gifts to the lecturers. They planned interactive sessions for both boys and girls and game sessions for the lecturers. A farewell party is a get-together for seniors who will soon leave that institute. In order to wish their seniors well on their upcoming great travels, juniors use various methods, including singing, dancing, encouraging talks, and awarding them. Later, final-year students were invited to provide feedback on the school and its employees.

Keynote address session

Chairperson- Dr. Amtul Waris

Co-Chairman – Dr. Satendra K Mangrauthia

This was followed by keynote address by **Dr. Kaiser Jamil**, Head, Bhagwan Mahavir Medical Research Centre, [BMMRC], Hyderabad. In her speech she said that Climate change is expected to hit developing countries the hardest. Its effects; higher temperatures, changes in precipitation patterns, rising sea levels, and more frequent weather-related disasters- pose risks for agriculture, food, and water supplies. Further, she spoke on greenhouse gas emissions, which contribute greatly to global warming. Climate change is already impacting a variety of ecosystems and environments around the world, putting vulnerable animals in danger of extinction such as, mammals, frog, bony fishes etc are being extinct because of climate change. She further, emphasizes the impact of cancer development due to climate change.

A REPORT ON -FIELD TRIP TO NEHRU ZOOLOGICAL PARK TO ADOPT ANIMALS AND BIRDS (2020)

With the support of Management, Director, Principal, and staff members. The Department of English organized a field trip to Nehru Zoological Park to adopt animals (Monkey) and birds (Peacock) on **19 February, 2020**.

The trip was organized for girls section and faculties to join from UG and PG.

DEAN OF ARTS MAJOR PROF. SULTANA KHAN and Department Head CAPT. PROF. KAUSAR BEGUM KHAN and other faculty members accompanied with the students for the trip.

The trip started by taking attendance of students and giving instruction to follow safety rules of the zoological park in the bus arranged by the department.

As we reached the spot all students gathered at the entrance and followed a line to visit different places with the help of guide inside the park.

Students were very excited and cherish the moment and took shots of memories with animals and birds close to nature. Students learned about adopting animals and taking care of them. This trip developed a sense of responsibility in students to admire nature and protect wild life. It also enhanced the awareness of wild life protection.

Students develop interest in sharing and caring for the environment. It was one day programme from the department and was a successful event.

REVIEW ABOUT OUR EDUCATIONAL FIELD TRIP TO "NEHRU ZOOLOGICAL PARK" 19TH FEBRUARY 2020

Our trip to Zoological Park started with great enthusiasm and energy from boarding bus to descending back to college was full of informative we learned many variations of knowledge related to our nature it was not a trip less than to an amusement park or an entertainment park.

As we entered the gate of the park with formal checkups from the guards who were very concerned about everyone carrying bags in "No Plastic Zone" itself gave us a thought and realization how much ever far we have advanced in technology but without concerning to nearing to the danger of exploiting our eco system and extinguishing natural resources and how careless we are as human or mankind who is considered as one of the best social animal for the famous philosopher.

It was a delightful moment as well as informative for all of us with warm welcome from the officer Swetha Ma'am and our faculty members and co-coordinating staffs played a very important role of organizing the trip I would take this as an opportunity to thank our faculty Dr. Sultana Khan Ma'am, Dr. Iftexhar Ma'am HoD Kausar Khan Ma'am and other Faculty of English Staff Members who have taken an initiative to take us to natural classroom and a memorable day out of our college. Thank you so much Ma'am.

It was a clear picture of how to protect and adopt the animals and birds and maintain their living expenses. It gave us an encouragement to feel the natural gifts of god and a process or cycle of nature without which our existence become harsh.

FEEDBACK /REVIEW ON EDUCATIONAL FIELD TRIP TO ZOO “NEHRU ZOOLOGICAL PARK”

- At first I would like to thank really appreciate our faculty decision for taking us to zoo on an educational town. The officers of Zoo have also cooperated much with us and had spent enough time with us explaining and imparting the knowledge about the animal life, flora and fauna.
- It was an immense and heartwarming movement for all the students as we were enjoying our time in the lap of nature learning about its process our HOD KAUSAR KHAN MA'AM and respected faculty have taken the initiative of taking us students to the educational trip to make us aware and to take necessary steps by an individual to respect and protect our nature and animals who are becoming almost to extinct or counted under endangered species.
