REPORT ON

NATIONAL ZOO AWARENESS DAY

CELEBRATED BY DEPARTMENT OF ZOOLOGY

National zoo awareness day is celebrated every year on 31st august to spread awareness about why zoos are necessary to educate people about animals and for conserving endangered animals. Students showed their creativity in different ways by preparing posters and a zoo model.

Program report

Program name: International Clean and Green Day

Date: 07.September.2022

Organized by: Department of Botany

Commenced by: Ruksana Nausheed (Assistant professor, Botany)

Participating staff members: Sumera Nazneen, Ishrat Begum, Hafsa Azra

Objectives of the Program:

Staff and students of the Botany department participated in the International Clean and green day organized in the Department of Botany on 07.september.2022 to bring Awareness of clean air and a green environment on our planet . Awareness regarding the importance of clean air for resistance against pollution is taught.

Outcomes of the Program:

Through organizing International Clean and green day, we gained knowledge from students regarding the importance of planting more trees in our surroundings to get clean, fresh air and a green environment.

After attending the event, Staff and students pledged to plant more trees in our locality and surrounding areas for clean air and a green environment.

Number of Participants: 20
