Suggestion of Prof. Prashantha Athma:

She congratulated the college for being very supportive and for encouraging and allowing the lecturers to attend and participate in conferences, seminars, workshops, etc. every year and following suggestions were given:

1. In view of the problems faced by the students in the day to day dealing with subjects and due to lack of soft skills while facing the interviews for jobs it is suggested to start PG diploma in English language and communication skills for UG and PG students on self financing basis which may include three classes per week.
2. ICSSR are funding the organizations liberally for organizing seminars, workshops etc. it was suggested that the faculty members should utilize this facility for professional development.
3. Osmania University is organizing shortly a seminar on practical application of tools and technology in research and suggested faculty members to participate for enriching the research knowledge.
4. To teach ACCA to the undergraduate students in association with CIMA which will be much useful to students.
5. She also advised the faculty to focus on JRF offered by UGC and CSIR.

Suggestion of Prof. C. Ganesh:

In view of the latest developments in computer science, high demand and employability in emerging technologies He suggested to introduce PG Diploma Course in Data Science and Artificial Intelligence in this regard he suggested to utilize the expert services of Prof. Shameem Fatima, a former Principal of University college of Engineering, Prof. K Shamla, Prof. Sudha and Prof Ramchandran former Vice chancellor of Osmania University who have expertise in this field.
