(Affiliated to Osmania University)

**Accredited with 'A' Grade by NAAC**

New Mallepally, Hyderabad.

### **ANNUAL REPORT OF THE COLLEGE FOR THE YEAR 2019-20**

It's my privilege that I am bestowed with responsibility to present Annual Report for the year 2019-20 before all of few. As per traditions the college has made development at fast pace during the year under review the college has inducted technological tools in teaching and learning to make the education technological driven as you are aware the college is one of the oldest Muslim minority college establish in the year 1960 since then it is catering to the neat and aspiration of Muslim community at large. The alumni of this college is spread all over the world and serving in almost all the sectors of economy. Few alumni of this college has made remarkable impact and contribution at state, national and international level in the fields of science, administration research and business. The college was granted autonomy in the year 1988-89 and NAAC has accredited this institution with A grade in the year 2019-20. Armed with these two weapons of quality certifications the college has made major strides to initiate quality initiatives in the college. Institution has framed the policies and prepaid strategic and perspective plans for short term and long term results. Action plans are also prepaid to implement the strategic and perspective plan of the college. The admission policy of the college is secular, transparent and merit based and follows the rules of reservations issued by the government. There are (29) UG and PG, including Diploma and certificate programs run by the college, this year college has introduced (5) undergraduate program during the year 2019-20 all the program are self financing. The curriculum of all the courses are regularly reviewed by the committees and efforts are made to make the curriculum skill based and employable as a result the products of this college has become saleable in the market the placement in various sectors has improved. Education is imparted by this college is students centric. Faculty follows activity oriented teaching which has positive impact on the students as well on the parents. Institution has (157) permanent faculty members with (19) faculty members are doctorates. During this year faculty members have attended (79) international seminars (82) national seminar and (60) state lever seminars / conference and symposium in addition to this our faculty members has presented

(11) international level papers (23) national level papers and (nil) state level papers. Faculty members have also acted as resource persons at international , national and state level. Equal emphases is also employed towards comprehensive evaluation of the students. It is continuous process college conducts both internal and external assessment by using various tools of evaluation to know the attainment learning outcomes and program outcomes by the students. The examinations are conducted in time bond manner and results are declared with in the period of 20-25 days. Consistently over the years the pass percentage of this college is in the range of 95-98 percent. This reflect the credibility commitment and integrity of the faculty. Along with teaching and learning research and also integral part of education. College is committed to promote research and research related activities among the faculty and students during the year () faculty members have register for PH.D Program of different university.

The management has sponsored many faculty members to attend workshop and conferences and it has also provided funding for publication this year the faculty has the following research publication.

	International	National	Others
Peer Review journals	12	12	-
Non-peer Review Journals	-	-	-
E-Journal	-	-	-
Conference Proceedings	-	-	-

The college has strong boys and girls NCC units and NSS units this year our college students has parties pated in university level, national level NSS events beside this our students have participated in university level state level, national level, international levels NCC events our NCC students has won two awards at university level and one award at state level. The institution is committed towards community and its surrounding under extension activity college has organized extension activities independently on aids awareness, gender issues and on swach bharath in collaboration with community members. College administration is totally computerized, library software's are purchased for enriching the library with e-books e-journals etc. Technological up gradation is also made in administration, examination and library.

Substantial amount has been spent towards purchase of new age equipments for the library and to purchase library books and to increase the infrastructure needed to meet the new demands arisen due to revision and modification of syllabus.

The college has substantial number of international students from African and middle east countries to ventilate their separate grievances committee with experts of language is functioning. The management is liberal in giving free ship and fee concision to economically backward and meritorious students this year the management has provided to financial support to the students to and extent of rupees Ten Lack's.

Games and sports is backbone of this college this year students has participated and won two bronze medal three silver medals in university level, national level, international level sports and games competition. Our students have won in one national level and two international level sports and games competition.

Under cultural events our students has participated in cultural events it is great pleasure to announce before you that this college is consistently organizing all India urdu mushaira inviting poets from all over the India this college has revived the old traditions of mushaira which has become dead in Deccan. This event has become trend setter for other to follow.

To improve the placement and to enhance skill and knowledge among students this college has collaborated with Telangana academy for skill and knowledge. Student of this college are utilizing the expertise provided by the academy and becoming skill and job oriented.

The institution follows the practices of decentralization and participative management. Under decentralization delegation of powers are given to the subordinate functionaries for fast and effective decision making at all levels without compromising on the principal of accountability. Participative management in the core principle followed in all the systems being implemented in the college. The stake holders are given free hand in taking decisions and the student and teacher activities held In the institution. The college has provided orientation, FDPs, refresher training and skill development training to teaching and nonteaching staff, in this regard the management has made necessary provision in the budget which has been utilized fully during the year. The budget is prepared after considering the financial resources available at hand and expected generation of financial resources during the year. Stringent check and balance has been provided

through internal and external auditor to control and monitor the finance. The management has initiated during the year various welfare schemes for the betterment of staff and their families which includes sanction of loans, paid leave, maternity leave, obsequies charges and conduct of various cultural and sports events for teaching and non teaching staff. During the year the college has submitted data to AISHE sand also participated in NIRF ranking.

Year of 2019-20 is event full and dynamic both students, parents, faculty and management has worked tirelessly to improve the quality of education and initiated many new initiative which are trend setters. The mentioned achievement of the college are only illustrative that has been achieved with the cooperation and collaboration of management and stake holders. We hope and expect that the same cooperation, motivation will be provided by the stake holders in our future endivours of expansion both qualitatively and quantitatively

Thank you
