INDEPENDENCE DAY

Independence Day is celebrated annually on 15 August as a public holiday in India commemorating the nation's independence from the United Kingdom on 15 August 1947, the day when the provisions of the Indian Independence Act, which transferred legislative sovereignty to the Indian Constituent Assembly, came into effect. India retained King George VI as head of state until its transition to a republic, when the Constitution of India came into effect on 26 January 1950 (celebrated as Indian Republic Day) and replaced the dominion prefix, Dominion of India, with the enactment of the sovereign law Constitution of India. India attained independence following the independence movement noted for largely non-violent resistance and civil disobedience.

In our college Independence Day celebrations are held by the NSS Volunteers and NCC Cadets.

NATIONAL SERVICE SCHEME DAY

ANWAR UL ULOOM
COLLEGE
NATIONAL SERVICE SCHEME
NSS DAY
(24-09-2021)
Celebrations

National Service Scheme, also known as NSS, is an extension of activities for students pursuing higher education to increase their participation in community service, in addition to their curriculum. Each volunteer must complete 120 hours of social service in one academic year. September 24 is observed as NSS Day since 1969 and is marked across the nation with great enthusiasm. It is the day when this public service scheme was officially launched in India.

To understand the community in which they work, their relations to that community, and to develop a strong sense of responsibility towards the betterment of society, NSS is a programme that aims the development of each volunteer's personality through community service.

In our Anwarul Uloom College NSS Volunteers celebrated the NSS Day on 24 Sep.2021 with great enthusiasm.

REPUBLIC DAY CELEBRATIONS

Republic Day is one of three Indian national holidays and it commemorates the enactment of the constitution of India, which occurred on January 26, 1950. India had achieved independence from Britain on August 15, 1947 (which is celebrated as a separate national holiday), but for its first three years the country remained governed largely by the colonial Government of India Act of 1935.

Shortly after independence was declared, a constituent assembly elected by provincial assemblies went about drafting a constitution that would govern the newly independent nation. After more than two years, the constitution of India was completed and solidified the establishment of India's independent democratic government. January 26 was chosen as the official enactment date as a nod to the Purna Swaraj (complete self-rule) declaration of independence by the Indian National Congress in 1930 — considered the first concrete step toward independence from Britain.

With the 1950 constitution, the country was officially known as the Republic of India — a “sovereign socialist secular democratic republic” that “secures all its citizens justice, liberty, equality, and fraternity,” according to its preamble.

In our college NSS Volunteers and NCC Cadets celebrated the Republic Day.

OBJECTIVE OF THE PROGRAM

World Cancer Day aims to be the one singular initiative under which the entire world can unite together in the fight against the global cancer epidemic.

INTERNATIONAL YOGA DAY

The **International Day of Yoga** has been celebrated across the world annually on June 21 since 2015, following its inception in the United Nations General Assembly in 2014. Yoga is a physical, mental and spiritual practice which originated in ancient India. The Indian Prime Minister Narendra Modi, in his UN address in 2014, had suggested the date of June 21, as it is the longest day of the year in the Northern Hemisphere and shares a special significance in many parts of the world.

In our College premises International Yoga Day was conducted on 21 June. A large number of NSS Volunteers and NCC Cadets participated in this programme.

WORLD NO TOBACCO DAY

This yearly celebration informs the public on the dangers of using tobacco, the business practices of tobacco companies, what WHO is doing to fight the tobacco epidemic, and what people around the world can do to claim their right to health and healthy living and to protect future generations.

The Member States of the World Health Organization created World No Tobacco Day in 1987 to draw global attention to the tobacco epidemic and the preventable death and disease it causes. In 1987, the World Health Assembly passed Resolution WHA40.38, calling for 7 April 1988 to be a "a world no-smoking day." In 1988, Resolution WHA42.19 was passed, calling for the celebration of World No Tobacco Day, every year on 31 May.

In our college Anti-Tobacco Day was celebrated every year. Maximum number of faculty members, NSS Volunteers and NCC Cadets participated in this

OBJECTIVE OF THE PROGRAM

'Educate the Girl Child, Save the Girl Child' the Beti Padhao, Beti Bachao Scheme is an ambitious scheme of the Government of India which is intended to generate massive awareness, improvement of quality of welfare services for females and helping them (girls and women) access these services better.
