### REVIEW ABOUT OUR EDUCATIONAL FIELD TRIP TO "NEHRU ZOOLOGICAL PARK" 19<sup>TH</sup> FEBRUARY 2020

Our trip to Zoological Park started with great enthusiasm and energy from boarding bus to descending back to college was full of informative we learned many variations of knowledge related to our nature it was not a trip less than to an amusement park or an entertainment park.

As we entered the gate of the park with formal checkups from the guards who were very concerned about everyone carrying bags in "No Plastic Zone" itself gave us a thought and realization how much ever far we have advanced in technology but without concerning to nearing to the danger of exploiting our eco system and extinguishing natural resources and how careless we are as human or mankind who is considered as one of the best social animal for the famous philosopher.

It was a delightful moment as well as informative for all of us with warm welcome from the officer Swetha Ma'am and our faculty members and co-coordinating staffs played a very important role of organizing the trip I would take this as an opportunity to thank our faculty Dr. Sultana Khan Ma'am, Dr. Iftekhar Ma'am HoD Kausar Khan Ma'am and other Faculty of English Staff Members who have taken an initiative to take us to natural classroom and a memorable day out of our college. Thank you so much Ma'am.

It was a clear picture of how to protect and adopt the animals and birds and maintain their living expenses. It gave us an encouragement to feel the natural gifts of god and a process or cycle of nature without which our existence become harsh.
