(Affiliated to Osmania University, Hyderabad)

## POLICY DOCUMENT ON GREEN CAMPUS

Urbanization and economy development are leading to rapid rise in energy consumption and further enhanced in green gas emission. The need of hour is to ensure green cover in campus. Management as social responsibility is committed to develop green campus by rationalizing the use of water, electricity and conserving the scarce natural resources and maintain balance in the eco system. Through use of alternate energy, recycling of waste in the campus, orientation towards green buildings, orientation about bio diversity and importance of green campus to the stake holders replacing old A.C. and heating system with energy efficient system, purchase of environment efficient products with green certificates, annual audit of energy use, paperless administration ban on plastic use, installation of smart meter to monitor and optimize water use, energy saving targets, clustering academic, research and administration within easy distance constitution of green campus committee and creation of botanical garden in the campus.
