Policy Document

Ref.No

Date 20-12-2022

The Policy document symbolizes Infra structure available for the disabled persons in the Institution and also reveals, the measures and efforts taken up by the Management to inculcate Disabled Friendly Environment, in the Campus.

Right of Persons with Disabilities Act 2016:

Person with disability" means a person with long term physical, mental, intellectual or sensory impairments which, in interaction with barriers, hinders his full and effective participation in society equally with others.

The principle reflects a perspective involving shift of disability from a social welfare concern to a human rights issue.

- It increases the reservation for people with disabilities from 3% to 4% in government jobs and from 3% to 5% in higher education institutions.
- Every child with a specific disability between the age group of 6 and 18 years shall have the right to free education. Education is to be provided by the government recognized and government aided Institutions.
- The New Act will bring our law in line with the United National Convention on the Rights of Persons with Disabilities (UNCRPD), to which India is a signatory.
- Under the Scheme, 200 Fellowships per year are granted to students with disability.

Our Institution provides safe and congenial environment for differently abled students, by providing necessary resources and facilities. The differently abled students are supported in and out of the classrooms by humane and right resourceful teaching staff.
