The college organizes orientation program for the parents and the students at the commencement of the programmer for the new batch every year. The program would help students and parents get familiarized with the institution, currircular and co curricular activities, facilities, rules and regulations etc. before the commencement of the classes, the different requirements of the students are identified and addressed at the earliest by way of a strategic approach

The institute continuously assesses the student performance and identifies the slow and the advanced learners based on the following.

Continuous monitoring of each and every student in every class is used to identify the slow and advanced performer.

One to one interaction of students and teachers during daily class work and during lab hours. The institute has adopted proper mentoring system which is used to counsel with each and every students to communicate performance and attendance of students to parents regularly.

- A set of 24 students are assigned to a faculty as mentor and personal and academic care of the student is taken care of by the corresponding mentor.

- Care is taken by faculty in monitoring which is look after by mentoring observer and batch in charge which is finally reported to principal sir.

The Institute has adopted proper mentoring system which is used to counsel with each and every student to communicate performance and attendance of students to parents regularly

- Care is taken by faculty in monitoring which is look after by mentoring observer and Batch in charge which is finally reported to principle sir.

Performance of the students in the class test, viva or group activities conducted during lab. Continuous monitoring of academic performance of each student by the course teacher and mentors.

Feedback from the faculty members.

Performance of the students in the internal examinations / in-semester assessments.
