

Best Practice – 1

1. Title of the Practice: “NCC as Elective”

2. Objectives of the Practice – To ensure that a large number of students get themselves enrolled for NCC through College NCC Unit.

3. The Context: The college has a champion group of NCC Units in Telangana which remains engaged in various co-curricular activities throughout the year.

4. The Practice:

- Internal Assessment marks are provided as bonuses, and fees concession in national-level and international-level camps for the best students of NCC are also made.
- Students are encouraged to join NCC at the time of admission and are given concessions in terms of class attendance during their attendance at various national and state-level camps.
- After getting trained, students are selected for Republic Day Camps, YEP, AIT, Ek Bharat Shrestha Bharat, Army Attachment, Independence Day, etc.

5. Evidence of Success:

- Every year students achieve various awards given by NCC. It was started to impart patriotism, discipline and adventure among the engineering graduate students which constitutes a valuable, vital asset of our nation and to promote their responsibilities in nation-building.
- The NCC unit is functioning successfully with a sanctioned strength of NCC cadets. The training undergone by the cadets is 1. Drill 2. Weapon Training 3. Map Reading 4. Obstacle Training 5. Firing 6. Personality Development 7. National Integration 8. First Aid, Disaster Management, military training, special subject, health and hygiene, field craft battle craft, personality development, interview techniques to clear SSB etc.
- Youth Exchange Programme at International Level, Republic Day (Delhi), ThalSainik, Delhi, Prime Minister’s Rally, and All India Trekking Camps are also held every year for the benefit of students.

6. Problems encountered and resources required: The practice is welcomed by all stakeholders. No unstoppable problems had been encountered

Best Practice – 2

1. Title of the Practice: “PROMOTING ENTRENEURSHIP AMONG STUDENTS”.

2. Objectives of the Practice:

- To identify initiatives that best promote an entrepreneurial mindset amongst the students.
- To create events and campaigns that promote entrepreneurship.
- To encourage entrepreneurial solutions to societal needs.

3. The Context:

The spirit of entrepreneurship at AUC is a way of making the students feel empowered, motivated, and capable of taking things into their own hands. An entrepreneurial spirit is nurtured within the institution to encourage students to not only see problems, solutions and opportunities, but to come up with ideas to do something about them.

4. The Practice:

- Creating events that promote a sense of entrepreneurship.
- Introducing a culture that encourages creativity, innovation and risk acceptance through forums.
- The Entrepreneurship program also encourages entrepreneurial solutions to societal needs.

5. Evidence of Success:

The Department of Microbiology organized 10 Days Value Added Course for Students on **“MUSHROOM CULTIVATION AND ITS INDUSTRIAL VALUES”** from 01th Aug, 2022 to 12th Aug, 2022.

The Department of Botany organized Value Added Course for Students on **“TERRACE GARDENING”** from 01th Aug, 2022 to 12th Aug, 2022. Students participated and gained knowledge from this course. The Value-added course was very informative and upgraded their knowledge on various topics related to Mushroom Cultivation.

- Several guest lectures and workshops conducted by entrepreneurs.
- Introduction of professional courses and credit courses related to entrepreneurship.

6. Problems Encountered and Resources Required:

No unstoppable problems were encountered.
