About the college:

Anwarul Uloom College was established in 1953, by the Anwarul Uloom Educational Association in a backward educational area dominated by underprivileged sections of society. The college has celebrated 75 years of its existence with pomp and glory. The institution is located in heart of the city with good connectivity of road, metro rail. The great strength of the college is visionary management. Strategic planning, documentation, record keeping, E-management and innovative teaching practices; quality is a core value in curriculum, teaching and evaluation. The alumni from this college are working in different parts of the globe and have contributed to various different fields of science & technology, arts and commerce, administration and management. The college was granted permanent affiliation by Osmania University in 1960 and since then enjoying the continuation of affiliation. College was recognized under Sec. 2F &12 (b) of UGC Act,1956. The college got Autonomous status in 1988-89 and has been continuously under autonomy. In 2010, the college was first accredited with Grade B and subsequently, in 2017 NAAC conferred Grade-A to the college. In 1999, the Government of Telangana also conferred minority status to this college. In the All-India Survey conducted by EW India Private Ltd. for Autonomous colleges, Anwarul Uloom College has been placed at 71st rank on quality parameters and it has certification of ISO 9001-15000 from an accredited body. The college has also participated in NIRF. College is a Co-education institution with a diversity of students in various programmes from various regions and countries including middle-east countries. During the year 2022-23, there were more than 5000 students and about 211 faculty members catering to the needs and aspirations of society. College is a multi- faculty college offering several programmes, there are about 27 programmes at UG and PG levels in arts, science and commerce streams. The institution is situated on 3 acres of land with (8) blocks of buildings. The college has 50% smart classrooms, experienced faculty, laboratories with new-age equipment, a library with e-resources, conference halls, auditoriums, participative management and decentralization of powers.

Nawab Mahboob Alam Khan. Hon. Secretary.

Anwarul Uloom Collage was established in August 1953. The college functions under the aegis of Anwarul Uloom Educational Association. Nawab Mehboob Alam Khan is the Hon. Secretary. He is a combination of experience, knowledge and dynamism. He has acted as a catalyst in the expansion of programs and courses and also in the development of infrastructure for the institution.

VISION

To provide skill-based quality higher education by striving continuously for excellence in educational service to all sections of the society especially the minority students who are socially, economically and academically under privileged with the focus on empowerment of youth to contribute constructively towards the national goals by upholding the values of secularism, national integration and social commitment.

MISSION

To provide higher education for empowerment of youth of Telangana state especially the marginalized people has been the main thrust of this college. The institution is committed to the under-privileged of the society and students with high potential facing difficult socio-economic circumstances, so as to bring them at par with mainstream. Our mission is to impart quality education and exposure for the holistic development of students and equip them to cope with the latest requirements, through innovative techniques and practices.

QUALITY POLICY

Objectives: To enhance the quality in all functional areas of the institution:

The institution continuously strives with stake holders for quality of service. Every institution is system of inter departmental processes and every faculty is a process manager. Teacher works in a system where as head of the institution works on the system and continuously improve quality with the help of teacher. People in the system cannot do better than the system itself. Administration creates atmosphere that nurture team spirit, prevent problems and continue improvement. In order to achieve the quality policy is as follows:-

1. To create and nurture quality human resource by continuous education and training.
2. Maintain and improve standard of service with transparency and accountability
3. Establish total quality framework to improve quality management system
4. Feedback on previous process to enhance and ensure the quality.
5. Transform curriculum into something dynamic instead of dogmatic.
6. Industry academia interaction with Placement Cell.
7. Use the influence and fame of Alumni for college development and placement.
8. Establish objectives at all levels.
9. Decentralized and participative decision making.
10. Identify aspirations of stake holders, deliver the promises, setting up dash board to track performance, list areas that need fixing, follow up and execute on the prioritized list.
11. Use of ICT for teaching and learning.
12. Promoting quality research.
13. Social and community engagement.

Autonomous Status:

The college first got Autonomous status in the academic year 1988-89 and has been continuously enjoying autonomy.

NAAC Accreditation: During the year college has got A+ Grade from NAAC National Assessment and Accreditation Council an autonomous body of UGC on 19 May 2023.

FEW GLIMPSES OF NAAC PEER TEAM VISIT

Internal Quality Assurance Cell: The College has its own Internal Quality Assurance Cell (IQAC). This is essential to maintain the post-accreditation quality of the college. Quality enhancement being a continuous process, the IQAC becomes a part of the institution's system and works towards realization of the goals of quality enhancement and sustainable development. The prime task of the IQAC is to develop a system for conscious, consistent and catalytic improvement in the overall performance of the Institution. The IQAC of the college continued to strive for the betterment of processes and set quality parameters in overall development of the institution.
