REPUBLIC DAY

Republic Day is the day when India marks and celebrates the date on which the Constitution of India came into effect on 26 January 1950. This replaced the Government of India Act 1935 as the governing document of India, thus turning the nation into a republic separate from British Raj. In our College NSS Volunteers, NCC Cadets, Faculty members and local residents are participated in large number. Flag hoisting program was held and various competitions are conducted to the students and prizes are distributed to the winners.

Global Safety Day

In 2003, the International Labour Organization (ILO), began to observe World Day in order to stress the prevention of accidents and diseases at work, capitalizing on the ILO's traditional strengths of tripartism and social dialogue.

This celebration is an integral part of the Global Strategy on Occupational Safety and Health of the ILO, as documented in the Conclusions of the International Labour Conference in June 2003. One of the main pillars of the Global Strategy is advocacy, the World Day for Safety and Health at Work is a significant tool to raise awareness of how to make work safe and healthy and of the need to raise the political profile of occupational safety and health.

28 April is also the International Commemoration Day for Dead and Injured Workers organized worldwide by the trade union movement since 1996.
