Ref. No.

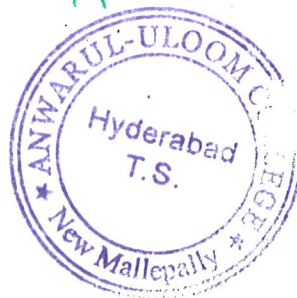

Date

IT integration and reforms in the Examinations Procedures and Processes including Continuous Internal Assessment (CIA) have brought in considerable improvement in the Examination Management System (EMS) of the Institution

College Campus is completely ICT enabled and everything related to the examination system are ICT enabled such as Enrolment of students, online examination form and fees, internal marks capturing, hall ticket generation, results processing, result publishing, semester grade sheet, certificate generation etc. College has E-Soft and Amtech Solution ERPs to deal examination process. The examination Policy of the Institution is consistent and transparent. Examinations are an essential element of the learning process in the progress of the course. Exam-related information is displayed on the website and notice board. Each course is evaluated in two modes internal and external mode. The exam committee has ensured the smooth conduct of examinations. The evaluation follows SGPA and CGPA methods of credit based on ten-point skills.

College has adopted comprehensive continuous internal evaluation system. Evaluation techniques such as Unit-wise tests, seminars, practical lab tests, viva, and continuous internal exams are adopted for internal mode of examinations. College has also followed the outcome based education system and concept of question bank is prepared by our teachers and which helps in setting of question papers. The college has registered with National Academic Depository.
