## 2.6.2 Attainment of Programme outcomes and course outcomes are evaluated by the Institution.

### Response:

The Programme outcomes, Programme specific outcomes and course outcomes are evaluated by the institution and the same are communicated to the students in the formal way in the classroom and departmental notice board. The institution has adopted both direct and indirect attainment methods.

### DIRECT MEASURES:

Activities such as Assignments, Group discussion, Quiz, Field Trip, Industrial Trips and any other activity related to the attainment of Cos and Final Semester Examination are the criteria for evaluation of program outcomes. The Curriculum is designed based on the OBE pattern where the Programme outcomes, course outcome and Programme Educational Objectives are clearly defined. Course outcomes for each course are framed and each course outcome is mapped with Programme outcomes to yield the POs- COs articulation Matrix. The attainment levels of the course outcomes are measure through various assessment methods. Each question is mapped with specific course outcomes and attainment levels are measured accordingly based on the marks scored.

### INDIRECT METHOD

The institution has also initiated indirect assessment strategies are implemented by including the following surveys.

- Student Satisfactory Survey
- Student Exit Survey
- Employer Survey
- Alumni Survey
- Parents feedback.
