### Identification of Advanced and Slow Learners

The identification of **Advanced Learners** and **Slow Learners** is an essential component of academic planning and student-centric teaching practices. It enables the faculty to adopt appropriate instructional strategies to enhance learning outcomes and ensure that every student progresses effectively.

#### 1. Criteria for Identifying Slow Learners

- **Low scores** in internal assessments, class tests, and assignments
- **Difficulty in understanding fundamental concepts**
- **Slow pace in completing classwork and tasks**
- **Irregular participation** in classroom discussions
- **Poor recall and application of concepts**
- **Low confidence level** in answering questions
- **Frequent need for repeated explanation**

#### 2. Criteria for Identifying Advanced Learners

- **High scores** in internal tests, assignments, and class assessments
- **Quick comprehension** and strong analytical skills
- **Active and meaningful participation** in classroom discussions
- **Ability to apply concepts** beyond the prescribed syllabus
- **Strong communication and presentation skills**
- **Interest in extended learning**, research-based activities, and competitions
- **Consistently responsible and self-driven learning behavior**

#### 3. Method of Identification

- **Performance analysis** of internal and external examinations
- **Classroom observations** by the faculty
- **Assignment and project evaluation**
- **Student interactions** during lectures and tutorials
- **Feedback from mentors** and subject teachers

#### 4. Purpose and Outcome

- Provide **remedial classes**, mentoring, and academic support for Slow Learners
- Offer **enrichment programmes**, advanced materials, and leadership opportunities for Advanced Learners
- Promote **inclusive and balanced academic growth**
- Enhance **overall student performance** and learning outcomes.

### Identification of Advanced and Slow Learners

The identification of **Advanced Learners** and **Slow Learners** is an essential component of academic planning and student-centric teaching practices. It enables the faculty to adopt appropriate instructional strategies to enhance learning outcomes and ensure that every student progresses effectively.

#### *1. Criteria for Identifying Slow Learners*

- **Low scores** in internal assessments, class tests, and assignments
- **Difficulty in understanding fundamental concepts**
- **Slow pace in completing classwork and tasks**
- **Irregular participation** in classroom discussions
- **Poor recall and application of concepts**
- **Low confidence level** in answering questions
- **Frequent need for repeated explanation**

#### *2. Criteria for Identifying Advanced Learners*

- **High scores** in internal tests, assignments, and class assessments
- **Quick comprehension** and strong analytical skills
- **Active and meaningful participation** in classroom discussions
- **Ability to apply concepts** beyond the prescribed syllabus
- **Strong communication and presentation skills**
- **Interest in extended learning**, research-based activities, and competitions
- **Consistently responsible and self-driven learning behavior**

#### *3. Method of Identification*

- **Performance analysis** of internal and external examinations
- **Classroom observations** by the faculty
- **Assignment and project evaluation**
- **Student interactions** during lectures and tutorials
- **Feedback from mentors** and subject teachers

#### *4. Purpose and Outcome*

- Provide **remedial classes**, mentoring, and academic support for Slow Learners
- Offer **enrichment programmes**, advanced materials, and leadership opportunities for Advanced Learners
- Promote **inclusive and balanced academic growth**
- Enhance **overall student performance** and learning outcomes

### **IDENTIFICATION OF SLOW LEARNERS**

- Course Teacher
- Mentor
- Mentor Observer
- HOD
- Principal

### **BRAINSTORMING SESSION BY ABOVE MEMBERS BY PROPER MENTORING SYSTEM**

- The mentor monitors Academic performance and interact frequently to understand and assist any students with issues that affect their ability to learn or impede their academic success.
- A set of 20 students are assigned to a faculty as a mentor for personal and academic care of the students is taken care by the corresponding mentor.
- Such students are given regular class tests in order to improve their performance in the university exam.

### **Actions Taken by Mentor:**

- 1. Identify the root cause:** Understand the reasons behind their slow learning pace. Is it due to lack of interest, poor foundation, or learning style? Once you identify the cause, you can tailor your approach.
- 2. Break it down:** Divide complex concepts into smaller, manageable chunks. This will help build confidence and make learning less overwhelming.
- 3. Personalized attention:** Provide one-on-one support and feedback. Encourage questions and doubts, and offer positive reinforcement to boost their self-esteem.
- 4. Make it relevant and fun:** Connect the learning material to real-life situations or their interests. Use games, quizzes, and interactive activities to make learning enjoyable and engaging.

### **IDENTIFICATION OF SLOW LEARNERS**

- Course Teacher
- Mentor
- Mentor Observer
- HOD
- Principal

#### **BRAINSTORMING SESSION BY ABOVE MEMBERS BY PROPER MENTORING SYSTEM**

- The mentor monitors Academic performance and interact frequently to understand and assist any students with issues that affect their ability to learn or impede their academic success.
- A set of 20 students are assigned to a faculty as a mentor for personal and academic care of the students is taken care by the corresponding mentor.
- Such students are given regular class tests in order to improve their performance in the university exam.

#### **Actions Taken by Mentor:**

**1. Identify the root cause:** Understand the reasons behind their slow learning pace. Is it due to lack of interest, poor foundation, or learning style? Once you identify the cause, you can tailor your approach.

**2. Break it down:** Divide complex concepts into smaller, manageable chunks. This will help build confidence and make learning less overwhelming.

**3. Personalized attention:** Provide one-on-one support and feedback. Encourage questions and doubts, and offer positive reinforcement to boost their self-esteem.

**4. Make it relevant and fun:** Connect the learning material to real-life situations or their interests. Use games, quizzes, and interactive activities to make learning enjoyable and engaging.

## DEPARTMENT OF POLITICAL SCIENCE

### ANWARUL ULOOM COLLEGE

#### ASSESSMENT OF LEARNING CAPABILITIES

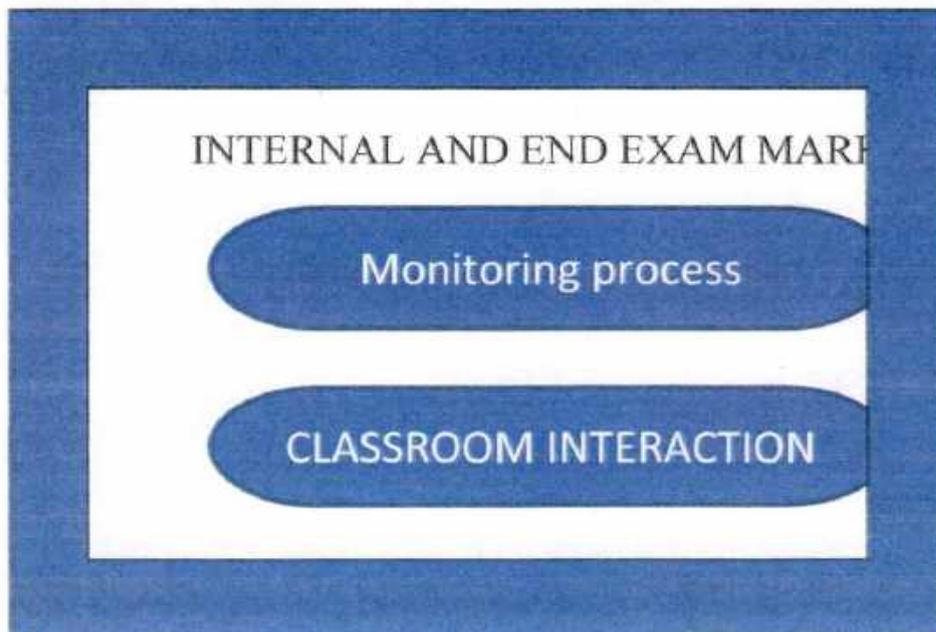

The bonding between staff members and students is highly appreciable in the department of Political Science. Distinction of the students over their performance is easily sought and hence categorization as advanced and slow learners is done as per the policy of the department of Political Science. Special activities are planned and executed for them.

The pedagogue of the department of Political Science develops significant strategies and scientific implementations in education process to benefit both the advanced and slow learners without forgetting the average performance. The advance learners to be excellent achievers and slow learners to be better performing and achieving students in the academic and personal life through a high-impact.

#### MENTORING SYSTEM

Diversified students are assessed for their learning levels after their admission into different programs in the following manner:

1. Continuous monitoring of each and every student.
2. The department of POLITICAL SCIENCE has adopted mentoring system which is used to counsel every student by respective mentors.
3. Performance of the students in the class test, viva, internal exam and external exams.

**Academic Year:** 2024–2025

**Department:** Computer Science

**Course:** B.Sc. (Mathematics, Electronics, Computer Science)

**College:** ANWRUL ULOOM COLLEGE (AUTONOMOUS)

## **Objective:**

The Remedial Classes were organized to provide additional academic support to students who required further clarification and practice in core subjects. The initiative aimed to strengthen their conceptual understanding, improve academic performance, and build confidence in facing university examinations.

## **Methodology:**

- Topics were identified based on students' internal assessment performance.
- Small group sessions were conducted for better individual attention.
- Additional assignments, practice tests, and revision exercises were given.
- Concept-based teaching methods, including practical demonstrations, were used.

## **Outcomes:**

- Improved understanding of key concepts among slow learners.
- Increase in pass percentage in internal and semester examinations.
- Enhanced student participation and confidence in regular classes.
- Positive feedback from students on the clarity of topics covered.

## DEPARTMENT OF ECONOMICS

### ANWARUL ULOOM COLLEGE

#### ASSESSMENT OF LEARNING CAPABILITIES

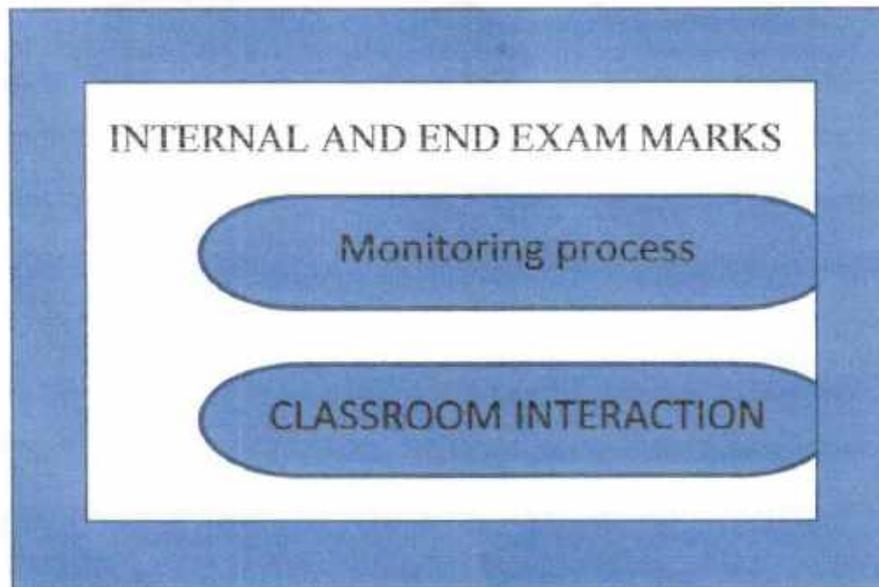

The bonding between staff members and students is highly appreciable in the department Economics. Distinction of the students over their performance is easily sought and hence categorization as advanced and slow learners is done as per economics policy. Special activities are planned and executed for them.

The pedagogue of the Economics department develops significant strategies and scientific implementations in education process to benefit both the advanced and slow learners without forgetting the average performance. The advance learners to be excellent achievers and slow learners to be better performing and achieving students in the academic and personal life through a high-impact.

#### MENTORING SYSTEM

Diversified students are assessed for their learning levels after their admission into different programs in the following manner:

1. Continuous monitoring of each and every student.
2. The Department of Economics has adopted mentoring system which is used to counsel every student by respective mentors.
3. Performance of the students in the class test, viva, internal exam and external exams.
