STRATEGIC/PERSPECTIVE PLAN AND DEPLOYMENT (2023-2028)

VISION

To provide skill-based quality higher education by striving continuously for excellence in educational service to all sections of the society especially the minority students who are socially, economically and academically under privileged with the focus on empowerment of youth to contribute constructively towards the national goals by upholding the values of secularism, national integration and social commitment.

MISSION

To provide higher education for empowerment of youth of Telangana State especially the marginalized people has been the main thrust of this college. The institution is committed to the under-privileged of the society and students with high potential facing difficult socio-economic circumstances, so as to bring them at par with mainstream. Our mission is to impart quality education and exposure for the holistic development of students and equip them to cope with the latest requirements, through innovative techniques and practices.

OBJECTIVES:

- **Academic Excellence:** Improve the quality of education, research, and faculty development.
- **Faculty and Student Development:** Focus on holistic growth, including employability, leadership, and ethical grounding.
- **Infrastructure Development:** Enhance facilities for teaching, research, and extracurricular activities.
- **Technology Integration:** Modernize operations and learning methods using advanced technologies.
- **Community Engagement:** Foster partnerships with industries, local communities, and alumni.
