OVERVIEW - Knimbus eLibrary Platform

Knimbus eLibrary is a rich content platform for institutions to build their customized eLibrary portal which provides their users all the knowledge available through the library on any device from anywhere.

Just like your physical library, the eLibrary houses all the knowledge your patrons need but with unlimited space and an always growing collection of content. The eLibrary aggregates all the library subscriptions, ebook collections, open access resources, multimedia learning content and electronic document repositories - all on one cloud platform.

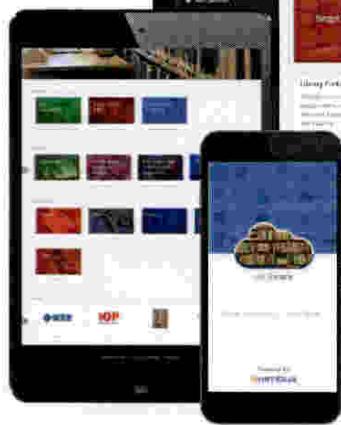

LIBRARIAN DASHBOARD

Self-service portal to customize your library, manage the catalog and analyze usage.

LIBRARY PORTAL

Users can easily access your entire library catalog from the portal with your institutional branding.

MOBILE APP

Anywhere access to premium library resources with built-in remote access.

LIBRARY PORTAL

eCatalog gives a A-Z listing of all the digital library resources.

- eCatalog showcases the holdings and gives users a clear picture of the content in the library (i.e. eBooks, Journals, Videos, eLearning content).
- Browse by subject, publisher, content type etc. which enable users to quickly find the right content.
- Subscription Identifier which enables users to browse, search and filter only the content the college has subscribed to.

Knimbus delivers a powerful discovery service for Single Point Access to millions of content items from 100s of Publishers and Sources.

- Simple, massively parallel, real-time, single point search service.
- Accurate integration and mapping with library catalog.
- Unbiased results showing fields like author, title, ISSN/ISBN, publication with ADVANCE FILTERING by Access Type, Content Type, Source etc. to quickly find the right content from millions of search results.

Personalization with 'My Library'.

- Personal workspace for every user to save searches, reading lists, web clips and organize research.
- This is synced with the eLibrary mobile app to ensure seamless user experience.

World's first Embedded Remote Access is a unique Knimbus feature.

- Knimbus platform automatically makes all resource links in the eLibrary including A-Z eCatalog, Browse, Search and Remote Access page work seamlessly whether the user is on campus or somewhere else.
- It requires zero setup by the users making it extremely user friendly.

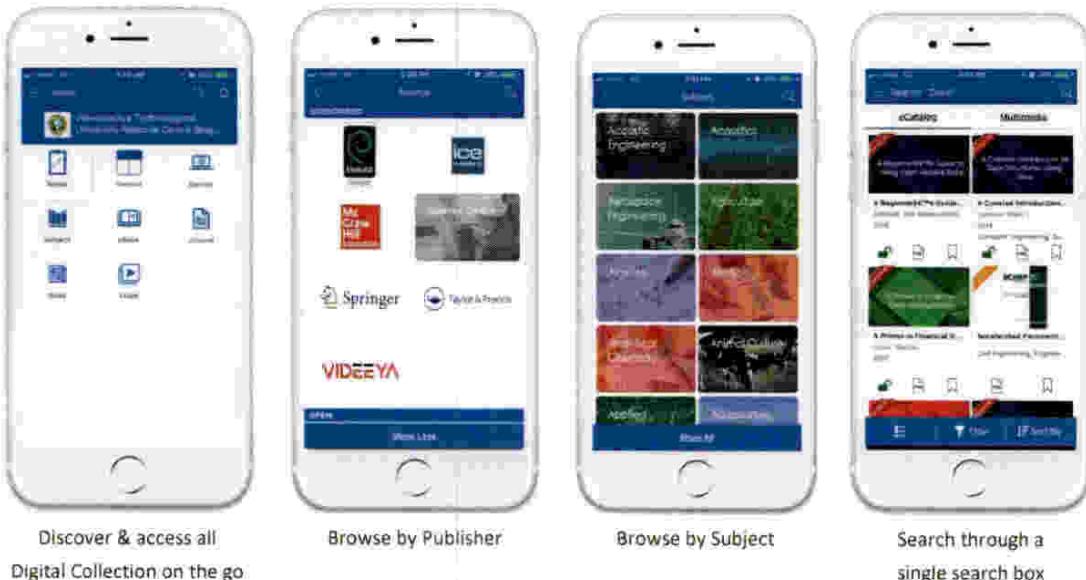

MOBILE APP (For both **Android & iOS**)

Mobile eLibrary App offers a multi-format, content delivery app for users to consume eBook collections, eCourse material, latest journal issues and multimedia learning content. Patrons can access the entire library on their smart phone from anywhere, at any time.

- Simple Discovery of content through Title, Author, ISSN/ISBN search and browsing by Subject, Publisher.
- Offsite full text availability enables users to read eBooks (PDFs) and journal articles (PDFs or HTMLs) on their mobile devices, wherever they are.
- Recommendations for users about latest content. Library will be able to promote new eBooks and publications on the mobile app via Notifications.
- Strong in-built security measures plus centralized control by the Library Admin.
- Library mobile pages with important library information and links.

Welcome to your new eLibrary!

This guide highlights all the key features of your new eLibrary. With the new eLibrary you have hundreds of thousands of eBooks, Videos, eLearning content and Journals. You can go through specially designed Sections or easily browse the content by Subject, Content Type or Source.

Moreover, there is a powerful search to quickly find exactly what you are looking for.

Go ahead and give it a TRY!

Similarly, for **Content Type** and **Section** you can browse the menu according to your need.

A-Z eCATALOG

A comprehensive A-Z List of your **eLibrary Subscriptions** acquired by your institute/organization and all the **Open Access eContent** curated by Knimbus.

The screenshot shows the Knimbus A-Z eCatalog interface. At the top, there is a search bar and a navigation menu with links like Home, Browse, My Library, Institute Access, About Us, Contact Us, and User. Below the search bar, there is a banner with the text "Your Institute's/Organization's Name". The main content area displays search results for "16106 results, All Documents". Two callout boxes highlight specific features: one pointing to the "eCatalog" section with the text "Shows All the documents in your elibrary.", and another pointing to the "Multimedia" section with the text "Shows All the multimedia content in your eLibrary." The interface includes various filters for Document Type (e.g., Journal, Book, Conference), Access Type (e.g., Open, Restricted), Subject (e.g., Engineering, Chemistry, Mathematics, Physics), Source (e.g., Knimbus Open Access, Knimbus Open Repository, IEEE, Springer), and Content Type (e.g., Article, Book, Conference, Report, Thesis). The results are presented in a grid format with thumbnails and titles. At the bottom, there is a footer with the text "Knimbus ©2018 | Terms & Conditions | Data Privacy".

SEARCH RESULT PAGE

The search result page gives you a well categorized search output for your search query. It's mainly divided in **eCatalog**, **Research**, **Multimedia** and **Section**.

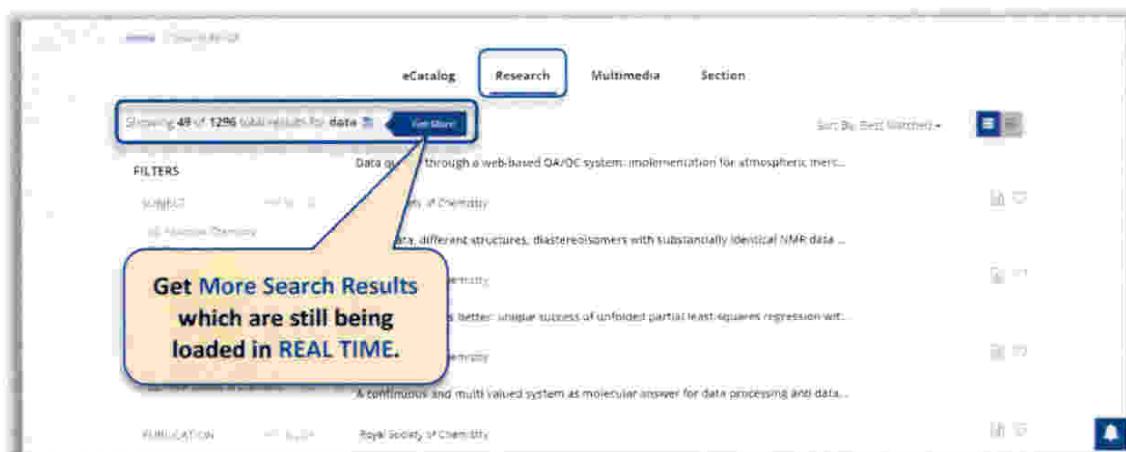

eCATALOG

Search results are fetched from your **eLibrary Subscriptions** and **Open Access eContent** curated by Knimbus.

The screenshot shows the Knimbus search results for the query 'data'. At the top, there is a search bar with the placeholder 'Enter search query. For example, 'data''. Below the search bar, a blue callout box points to the 'ADVANCED SEARCH explained on Page 12.' link. The main search results are categorized into 'eCatalog', 'Research', 'Multimedia', and 'Section'. The 'eCatalog' section is currently selected. It displays 157 results for 'data'. A blue callout box points to the 'FILTERS explained on Page 11.' link. Another blue callout box points to the 'SAVE your search query.' link. A third blue callout box points to the 'To mark as Favorite.' link. A fourth blue callout box points to the 'More Search Results...' link. The results are presented in a grid format with various thumbnail images and titles. For example, one result is 'CIRCULAR' and another is 'NCFRP'. The results are sorted by 'Best Match'.

RESEARCH

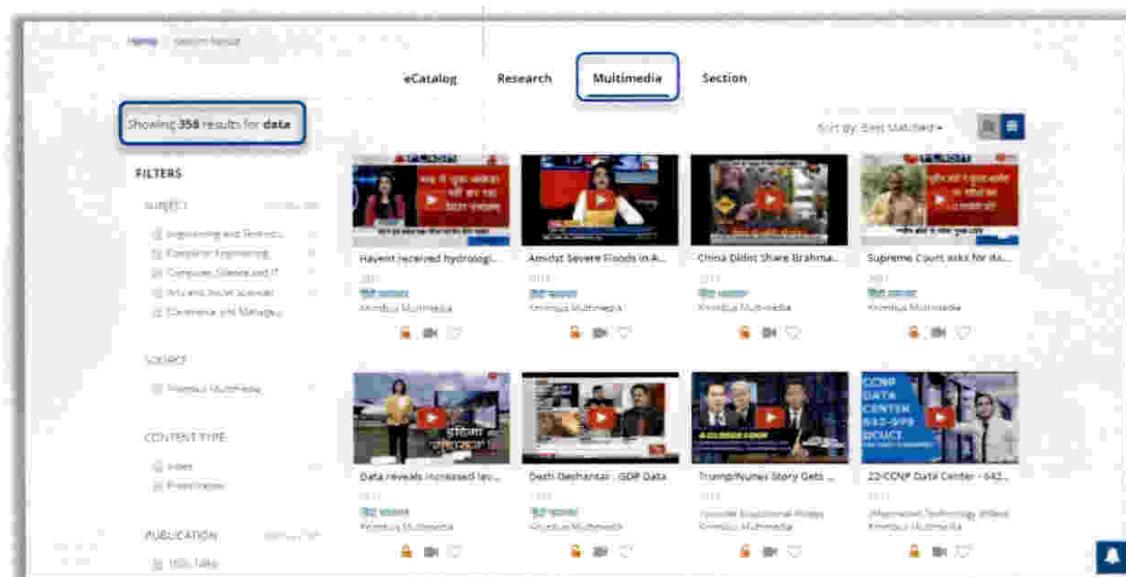

Real Time and Parallel Search results are fetched from the Publisher(s) of your choice in the form of Articles/Papers.

The screenshot shows the Research section of the knimbus platform. At the top, there are tabs for 'eCatalog', 'Research' (which is selected and highlighted in blue), 'Multimedia', and 'Section'. A search bar shows the query 'Showing 48 of 1296 results for data'. Below the search bar are 'FILTERS' (including subject, date, and source), a 'Sort by' dropdown (set to 'Best Matched'), and a 'Get More' button. The main area displays a list of research papers with titles like 'Data quality through a web-based QA/QC system: implementation for atmospheric mete...' and 'Data with different structures, diastereoisomers with substantially identical NMR data ...'. A large orange box with the text 'Get More Search Results which are still being loaded in REAL TIME.' is overlaid on the list. At the bottom, there are sections for 'PUBLICATION', 'Royal Society of Chemistry', and a notification bell icon.

MULTIMEDIA

Quick Access to eLearning Videos, PPT streamed by various source like TEDX, NPTEL, News Channels etc.

The screenshot shows the Multimedia section of the knimbus platform. At the top, there are tabs for 'eCatalog', 'Research' (selected and highlighted in blue), 'Multimedia' (selected and highlighted in blue), and 'Section'. A search bar shows the query 'Showing 358 results for data'. Below the search bar are 'FILTERS' (including subject, date, and source), a 'Sort by' dropdown (set to 'Best Matched'), and a 'Get More' button. The main area displays a grid of multimedia items, each with a thumbnail, title, and a play button. Examples include 'Hayati received hydrog...', 'Amidst Severe Floods in A...', 'China's oldest Shiva Brahma...', 'Supreme Court asks for stat...', 'DATA reveals increased lev...', 'Data-Debunking : GDP Data...', 'Trump's UN story gets ...', '22-CCMP Data Center - 642...', 'Kerala Multi-Media', 'Kerala Multi-Media', 'Kerala Multi-Media', 'Kerala Multi-Media', and 'Kerala Multi-Media'. At the bottom, there are sections for 'PUBLICATION', 'Source', 'CONTENT TYPE', and a notification bell icon.

SECTION

Search Results are fetched from your **Library/Institute curated eContent** categorized into different **relevant sections** mentioned on your eLibrary's homepage.

The screenshot shows the IEEE Xplore digital library interface. At the top, there are tabs for 'eCatalog', 'Research', 'Multimedia', and 'Section' (which is highlighted with a blue border). A search bar at the top left shows the query 'Showing 278 results for data'. The left sidebar contains several filter categories with their respective counts:

- REPOSITORY**: IEEE Repository (278)
- CONTENTTYPE**: Journal (278)
- PUBLICATION YEAR**: 2013 (1), 2012 (1), 2011 (1), 2010 (1)
- SECTION**: IEEE Access (1)
- SUBJECT**: Computer Engineering (1), Mechatronics Engineering (1), Medical Engineering (1), Robotics & Mechatronics (1), Vehicle Engineering (1)
- SOURCE**: Other (1), IEEE (1), Springer (1), ScienceDirect (1), KOM Digital Library (1)
- PUBLICATION**: IEEE Progress (1), Applied Physics Letters (1), Applied Superconductivity (1), IEEE Transactions on Dielectrics and Electrical Insulation (1), Computational Signals (1)

The main content area displays search results in a grid format. Each result includes a thumbnail image, the title, and a brief description. The results are categorized by source:

- ScienceDirect**: Data Science Big Data and... (1), Voice-Band Modem: A Dev... (1)
- Springer**: Springer (2), Voice-Band Modem: A Dev... (1), Topic 03-Interaction Betw... (1)
- World Scientific**: Interaction between data (1), A Formal Model of Objects... (1)

At the bottom right, there is a call-to-action button with the text 'More Search Results...'.

At the bottom, a yellow box contains the text: "Kindly select one or more resources to perform search." Below this are buttons for "Clear All", "Select All", and "Next > Query".

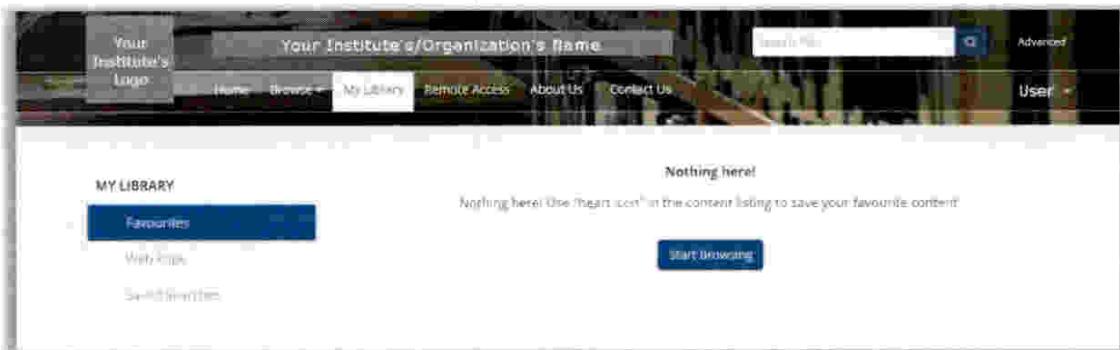

Query: Enter a specific search query(s) you want your result to match to.

The screenshot shows the 'Advanced Search' interface with the 'Query' tab selected. On the left, a dropdown menu is open, showing options: Title, Everything, Title, Author, ISBN, ISSN, DOI. The 'Title' option is currently selected. To the right of the dropdown are search fields for 'data', 'Match', and 'All'. Below these fields is a text input field with placeholder text: "Enter keywords (e.g. Title, Author, ISBN, ISSN, DOI, etc.)". A yellow callout box with a blue border is positioned over the text input field, containing the text: "You can also provide Title, Author, ISBN, ISSN, DOI to fetch specific result(s.)". At the bottom right are 'Clear' and 'Go' buttons.

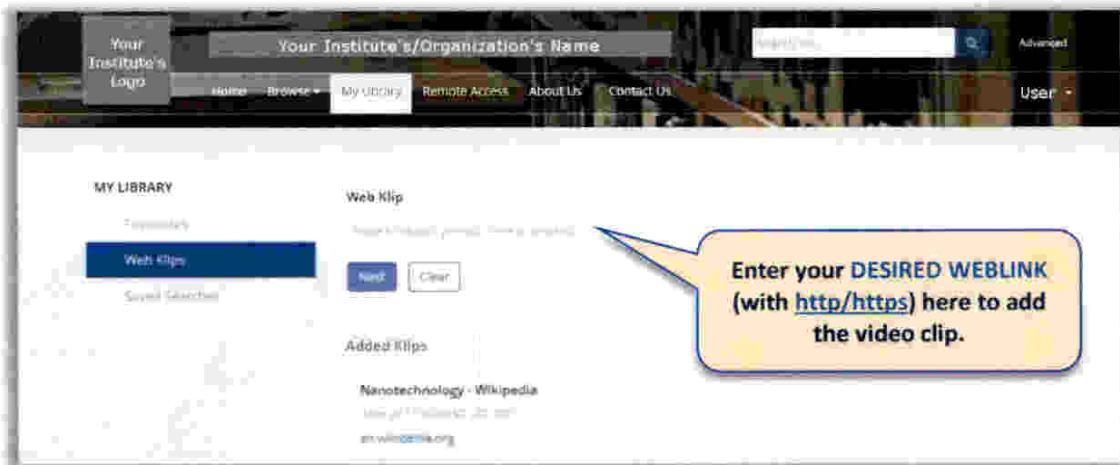

MY LIBRARY

Favorites: Access to your Favorite eContents.

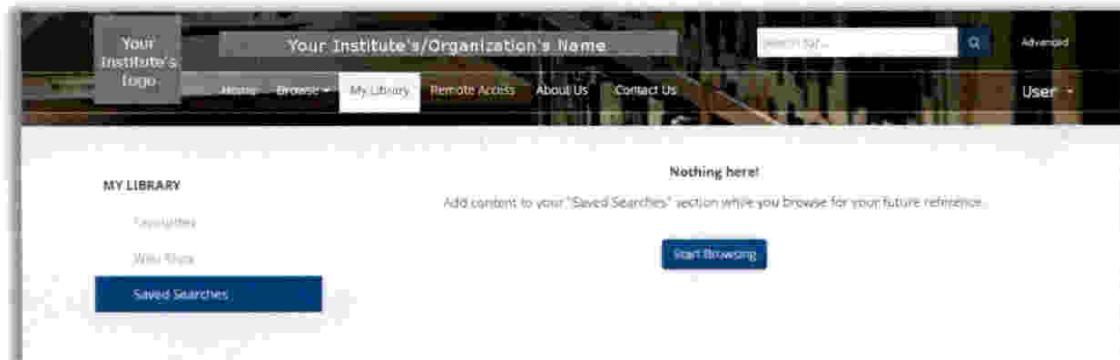

The screenshot shows the 'MY LIBRARY' section of the knimbus interface. On the left, there is a sidebar with 'MY LIBRARY' and three buttons: 'Favorites' (highlighted in blue), 'Web Clips', and 'Saved Searches'. The main content area displays a message: 'Nothing here! Use the gear icon in the content listing to save your favorite content!' Below this message is a 'Start Browsing' button. The top navigation bar includes 'Your Institute's Logo', 'Your Institute's/Organization's Name', a search bar, and various menu items like 'Home', 'Browse', 'My Library', 'Remote Access', 'About Us', 'Contact Us', and 'User'.

Web Clips: Access to your saved weblinks.

The screenshot shows the 'Web Clips' section of the knimbus interface. The sidebar on the left shows 'Web Clips' is selected. The main content area has a 'Web Clip' input field with placeholder text 'http://www.youtube.com/watch?v=...'. Below it are 'Add' and 'Clear' buttons. A 'Saved Clip' section lists a single item: 'Nanotechnology - Wikipedia' with a link 'http://en.wikipedia.org...'. A yellow callout box with a blue border and a yellow arrow points to the 'Web Clip' input field with the text: 'Enter your DESIRED WEblink (with [http/https](http://)) here to add the video clip.'

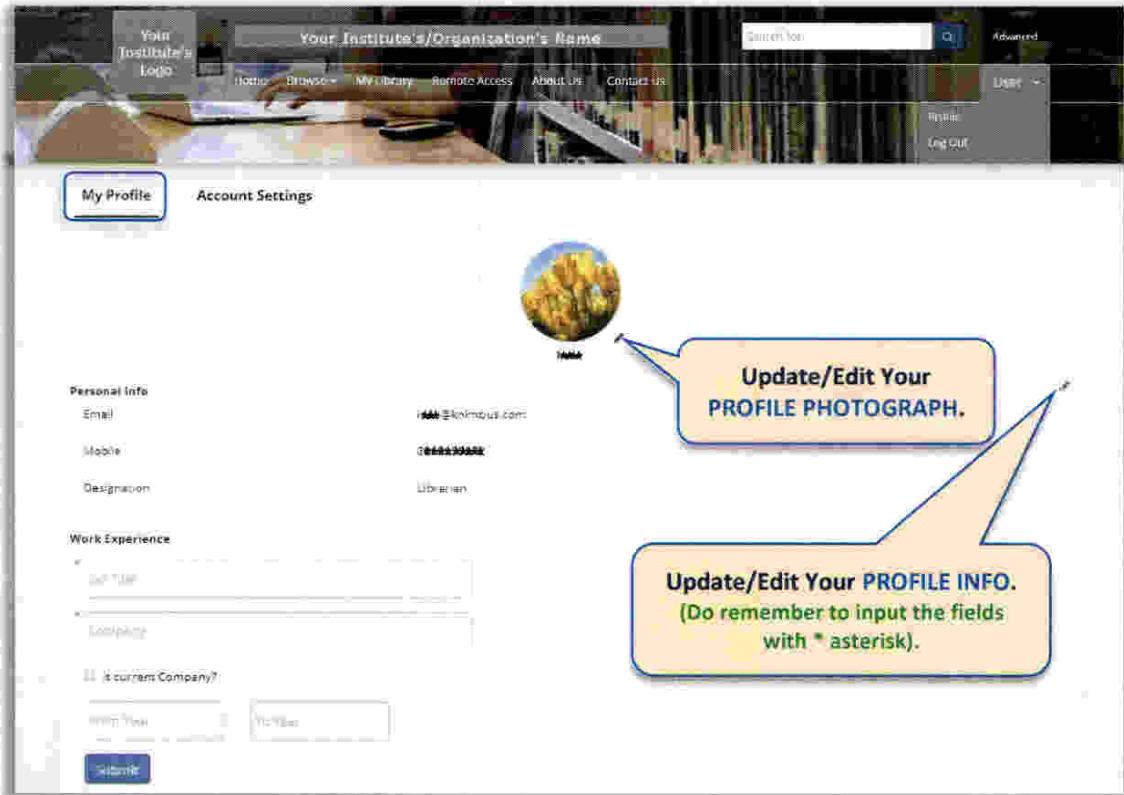

Saved Searches: Access to your saved search queries.

The screenshot shows the 'Saved Searches' section of the knimbus interface. The sidebar on the left shows 'Saved Searches' is selected. The main content area displays a message: 'Nothing here! Add content to your "Saved Searches" section while you browse for your future reference.' Below this message is a 'Start Browsing' button. The top navigation bar is identical to the previous screenshots.

USER PROFILE

My Profile: You can update your profile information, profile photograph, work experience etc.

The screenshot shows the 'My Profile' section of the knimbus interface. It includes a placeholder for 'Your Institute's logo' and a search bar. Below the logo are navigation links: Home, Browse, My Library, Remote Access, About Us, Contact Us, and a dropdown menu for User, Logout, and Help. The main content area has tabs for 'My Profile' (selected) and 'Account Settings'. It displays a placeholder profile photo with the name 'TANMAY'. Below the photo are sections for 'Personal info' (Email: tanm@knimbus.com, Mobile: 09876543210, Designation: Librarian) and 'Work Experience' (with fields for Company, Current Company, LinkedIn, and YouTube). Two callout boxes are overlaid on the page: one pointing to the profile photo area with the text 'Update/Edit Your PROFILE PHOTOGRAPH.', and another pointing to the personal info section with the text 'Update/Edit Your PROFILE INFO. (Do remember to input the fields with * asterisk)'.

Account Settings: You can change your Login Password here.

The screenshot shows the 'Account Settings' section of the knimbus interface. It includes a placeholder for 'Your Institute's logo' and a search bar. Below the logo are navigation links: Home, Browse, My Library, Remote Access, About Us, Contact Us, and a dropdown menu for User, Logout, and Help.
